Stadium Dedicated Oct. 1, '49

One long-awaited and cherished dream of R. H. S. students became a fact on October 1 as a dedication program preceded the annual football game between Rossford and Perrysburg.

The Bulldogs helped Rossford celebrate the occasion by winning 26 to 6.

BOARD OF EDUCATION

When we look at civilization in this year 1949 we are greatly impressed with the ever-heightened contrast between the destructive and constructive powers of mankind.

Millions live in terror of destructive forces. The modern national highly industrialized state directed by efficient centralized government is an agency of tremendous strength. When activated by ulterior motives of a frenzied ruling group it can cut at the very corner stone of civilization.

If those who today are young and intelligent are conscious of their responsibilities as world citizens, they will develop capacities to induce and promote a better genius to hold, control, and build a lovelier world than that depicted in any of the utopian romances penned by visionaries of the past. We possess immediate means of building a far brighter, safer, sounder, civilization, one which can make our century as much superior to the nineteenth as the nineteenth century was superior to the tenth.

Saul of Tarsus, whose letters rank among the world's most powerful inspirational literature provided excellent advice for all members of graduating classes when he said "When I was a child, I spake as a child, I understood as a child, I thought as a child, but when I became a man I put away childish things." The transition from childhood to adolescence to maturity imposes difficulties upon every individual and upon those who come in contact with him. "Growing pains" are both real and necessary. Unless we feel them, perhaps no growth is occurring.

Let it not be said of any member of our CLASS OF 1949 that he failed to measure up to the needs of the hour, or gave of himself too sparingly to march worthily on the side of the powers of construction.

Henry Werner, Jr., President

F. O. Ellsworth, Principal

"All the world's a stage, and all the men and women merely players;"
said Shakespeare.

May you seniors, as you graduate, strive to find your place on this great
stage and carry on your part like all good troupers.

G. Hoy Burns, Superintendent

Members of the Class of 1949, the theme of your yearbook, "The Show Must Go On" is well chosen. It implies that the regular life pursuits must proceed despite any changes that may confront us. It is at this point of meeting a changing world that education finds one of its purposes, that of preparing us to meet secrets of the universe, and, by the study of this knowledge, it hopes to foresee the future.

At present, education is confronted by a mass of knowledge which is expanding in geometric proportions. The whole world has been explored. We have gone back thousands of years into man's past; we have created machines that make solids transparent, obliterated distance, sent the human voice through miles of space, and opened the oceans of air to man's voyaging; yet our chief difficulties today spring from our lack of knowledge.

If we are to meet new challenges and continue to carry on our advancement, education must not only prepare us by presenting us with facts, but also must teach us to use them. It needs to do more than conserve past cultural, intellectual, and spiritual knowledge; it must fearlessly explore and replace ignorance with insight, controversy with understanding, and sentimentality with intelligence. Only in this way can we meet the tremendous problems of obtaining economic stability, governmental understanding, racial harmony, and world peace based on universal good will.

SYNOPSIS

As Freshmen, we wandered rather timidly onto the first scene of "School Life" in the fall of 1945. Because we lacked acting experience, we were assigned a minor role.

The leading roles were played by Edward Zabick, President; John Hricovsky, Vice-President; and Bill Vedra, Secretary-Treasurer. Our directors were Miss Schaaf and Mr. Troutner.

In the second scene, as Sophomores, we began to blossom out and take a more active role in "School Life." The climax of this scene was the Sophomore Skating Party, under the able direction of President Jenny Shank, Vice-President Eugene Denko, Secretary-Treasurer Anne Grod, assisted by Mr. Fетters, Mr. Long, and Mr. Schaeffer.

We made a bold entrance upon the scene as Juniors. This was a very fast-moving, action-packed scene, the highlights being our magazine campaign, which broke all records; the Sadie Hawkins Day Dance; the J-Hop; and the Junior-Senior Ball. We also presented a play entitled "Going On Seventeen". To provide funds for the elaborate settings of this scene, we also sold candy after school and at basketball games.

The main characters of this very important scene were portrayed by Anne Grod as President, Don Gibel as Vice-President, Eugene Denko as Secretary, and Jenny Shank as Treasurer, under the direction of Mr. Butt and Mr. Wolfe.

As Seniors, we have made our grand entrance. We now realize the seriousness of our individual parts in this play which is rapidly drawing to a close.

Highlighting this scene is the Stadium Dedication Game, the Senior Prom, and Commencement. We again undertook to present a play. Music for this scene was provided by the Bowling Green A Cappella Choir.

Under our directors, Mrs. Chamberlain and Mr. Kohler, our last scene has been a success. The leading roles were given to Bernard Vascik, President; Don Rattigan, Vice-President; Edward Zabick, Secretary; and Clyde Alexander, Treasurer.

As we take our final curtain call, we—the Senior Class of 1949—wish to extend to our directors our gratitude and appreciation for their patient help and guidance throughout our "School Life."

CHEERLEADERS

J. Sitlava, L. Stepan, C. Kruger, M. Brown, B. Smith.

In order that the time between scenes does not become dull, the cheerleaders entertain the crowd by inspiring the group to participate in praise of the main characters.

No production would be complete without music. The dance band has successfully carried the vivacious theme of "School Life" throughout the entire performance.

COMMAND PERFORMANCE

FOOTBALL

Out of the 14 lettermen on this year's squad, the 10 seniors are Don Rattigan, Tackle; Ed Zabic, Guard; Dick Liedigk, End; Dick Hubbell, End; Clyde Alexander, Halfback; John Hrich, Center; Don Gibel, Tackle; Bernie Vascik, Fullback; Jim Rossler, Halfback; and John Goforth, Halfback. Buddy Gyori, 175 pound bone-crushing Fullback, will be ineligible for next year's season.

The three lettermen left on the squad are Sam Pennese, Halfback; Steve Vancena, Quarterback; and Tony Nekoranec, Guard. Managers Joe Barna, Dan Zawojski, and Matthew Vedra also received letters.

Don Rattigan, Ed Zabic, Dick Liedigk, and Sam Pennese were placed on the ALL GNC first team, Buddy Gyori was nominated as the team's most valuable player, and Don Gibel and Clyde Alexander were on the all GNC second team.

Gyori and Liedigk were tied for high scoring honors in Football, each having seven TD's, Gyori also made 3 conversions for a total of 24 points; Liedigk made 6 of his 7 tallies on passes from Pennese, the seventh one coming on a blocked punt.

Pennese and Alexander each tallied 3 times, however, Pennese threw about 10 touchdown passes, and Alexander was outstanding as a blocking Halfback.

Vancena, Hubbell, and Vascik each scored twice during the season. Vancena made his two tallies on Quarterback sneaks, Hubbell scored twice on completed passes, both in tough games, and Vascik, an outstanding line backer-up and pass-interceptor scored in the Football Premier and in the Clay trouncing. Conversions were as follows: Gyori—3, Vancena—2, Alexander —2, Pennese—1, Rossler—1, and Vascik—1.

While the above mentioned boys deserve much praise it should be remembered that without the superb blocking and interference running of such teammates as Rattigan, Hrich, Gibel, Zabic, Nekoranec, Doren, Stanford, and others, none of these touchdowns would have been possible. This year's Bulldog squad was known for its powerful, strong line as well as its speedy, hard-hitting backfield and the linemen deserve as much praise as the backfield: So to this year's squad, we can say "Well Done Champs."

BASKETBALL

Of the seven lettermen on this year's Basketball squad, 4 are graduating seniors, those 4 are Bernie Vascik, Center; Don Rattigan, Forward; Clyde Alexander, Guard; and Eugene Denko, Forward. The remaining 3 lettermen are all Juniors. They are, Steve Vancena, Forward; Sammy Pennese, Guard; and Henry Watrol, Guard. The other three members of the squad are Wesley Falls, Senior, Guard; Charles Keeton, Junior, Forward; and Joe Barna, Sophomore, Forward.

The team had an average of 42.5 points per game to their opponents 35.2 points per game. Individual averages per game were as follows. Bernie Vascik, who was awarded the position

of co-captain on the all GNC squad averaged 14 points per game. Don Rattigan, one of the two second year lettermen on the squad averaged 11 points per game. Hank Watrol was next with an 8 point per game average; while Clyde Alexander, the other letterman from last year's squad, Sammy Pennese, Steve Vancena, and Eugene Denko each had about a 5 point average per game. Wes Falls and Skip Keeton had a 3 point average and Joe Barna's average was 2 points per game. The two Basketball Managers, Jim Rossler and Tony Nekoranec also received their varsity Basketball letters.

BOWLING

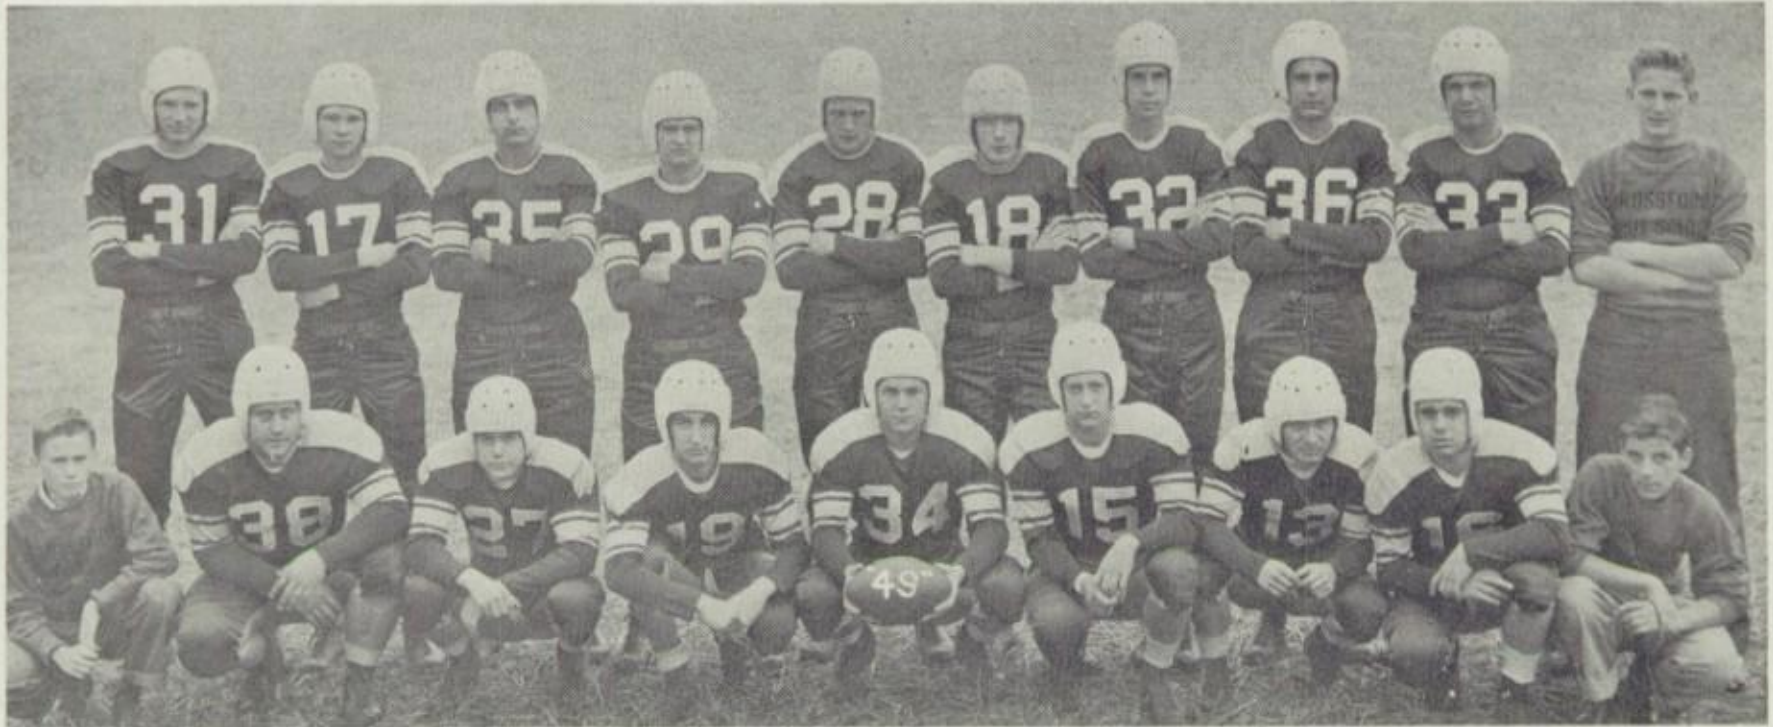

Jerry Koperski and Skip Keeton both seem to be setting a pace for the Rossford American League to follow. Keeton has bowled a 247, the second highest score for a single individual game, while Koperski has chalked up a 621 for a third place in the individual 3 games bracket.

Koperski and Keeton, along with Denko, Gyori, and Gibel, are members of the American League squad representing the school.

This team has the second and third highest scores for the single team game with a 986 and a 970, and they also hold first and third places for the teams' 3 games with a 2809 and 2691.

Our new squad, The National League, under the captainship of Jim Rossler has a second place berth captured. Bob Rombach has bowled a 606 individual 3 games and has a 167 average, the highest in the National League.
